## TOWN & COUNTRY MEN'S LEAGUE

The Town & Country Men's League is a weekly 9-hole league, open to anyone 21 years or older interested in playing golf, with some competition, good camaraderie, and a lot of fun. This year will offer some different match formats in addition to low net and Stableford that will offer a variety of games that should appeal to everyone.

The year will start off with an 18-hole Saturday season opener, and then continue on Tuesdays with play starting at ~5:00 PM. We will end the season with an 18-hole Saturday Finale in late September.

All matches will be “net” and all members will be required to have and maintain a USGA handicap.

1. **PLAY BEGINS** on Saturday, March 31st, 2018 with the 18 hole Opener and then that Tuesday, April 3rd and will then continue with regular 9-hole Tuesday weekday play. The last Tuesday will be on Tuesday, 9/25 with the season finale Tournament on Saturday, September 29th, 2018. A brief meeting of all league members will precede the 1st Tuesday and on the Opener. All weekday matches will be a ~5:00 PM, “shot gun” start. PLEASE BE READY TO GO PRIOR TO THE START. We will do everything possible to get out at 5 PM. It will also be necessary to tee off early in the beginning and end of our season due to restricted daylight. Usually 4:30/4:45 PM is needed then, even 4 PM.

RSVPs are required each week, as well as for the opener and finale. Efforts will be made to remind players to RSVP

You can email me which is preferred or text me as well at 609-970-7870.

Town & Country Golf Links 856 769-8333. Score cards must be submitted by 7:45 PM to be counted.

### 2. COMMITTEE and OFFICERS

The league Committee is Marty Caparros (President), John Quisito, Buddy Avis, Dave Gaffney, Augie S, Rich FiFoot, Adam Sokoloff, Paul Bauman, Justin Oravetz, Scott Schumacher, Dave Gallagher, and Zane Buckley. The Director of Golf shall also be a member of the Rules Committee. If a tie needs to be broken, the President will break it.

The members of the league committee must pay for the League and course fee, and any other costs required of league members. The President will be reimbursed for legitimate expenses incurred, such as office supplies, copying costs, etc.

### 3. LEAGUE FEES

The 2018 season league fees for Season Pass Holders of Town & Country Golf Links will be \$60.00. For non-season pass holders of Town & Country Golf Links the fee will also be \$60.00. The weekly dues will still be \$5.00. The League Fee will also most include GHIN Handicap Service. Guests of League Members are welcome to play occasionally but will not be permitted to participate in weekly prize pool.

Weekly Greens Fee for non-season pass holders of Town & Country Golf Links will be \$25.00, which includes cart. There is no additional Greens fee for Season Pass Holders of Town & Country Golf Links.

Season opener cost will be about \$45 for non-season pass holders. This includes 18 holes including cart and lunch. We are anticipating the season finale will be around \$45-55 including cart, no lunch (like this past year we will go upstairs afterwards to do prizes, etc. like Tuesdays). Membership fees also include membership to Cream Valley Social Club (CVSC).

#### 4. LEAGUE PLAY

Matches shall be played from the BLUE TEES, also known as the Member tees, except for those over the age of 60, who may play from the WHITE TEES. The Rules Committee reserves the right to change the tee box per weekly match. Please note that there is a USGA mandated 1 stroke handicap per nine holes differential between the blue and white tees, which will be maintained. Over the age of 80, you may use the forward green tees, there's 2 stroke handicap adjustment per nine holes since it is two tee boxes different.

All matches played in the month of APRIL will be played under WINTER RULES, which means the ball may be UP, or improved lies, and may be moved, or bumped slightly with the club head, no closer to the hole, up to the length of the score card, in order to improve your lie.

All matches played after April will be played under SUMMER RULES, which means the ball will be played down and as it lies at all times. You cannot touch the ball except for rule 5.3. U.S.G.A. rules will govern at all times except where a local or league rule takes precedence.

#### 5. THE MATCH

Weekly matches will be per the posted schedule. All matches (except for scrambles) will use handicaps. All playing members must have a USGA Handicap. Only players with official GHIN Handicaps will be eligible for the prize pool. The primary match format will be "Low Net" where your course index is subtracted from your gross score. Secondary format will be Chicago (aka T&C Stableford). Alternate games of play will be intermixed in the schedule at the discretion of the Committee. In most cases, the Prize pool will recognize the top 4 places, with a fixed amount each week, every week. (1st=\$50, 2nd=\$40, 3rd=\$30, 4th=\$20) Tie breakers will be a match of cards. For head to head match play all winners get \$10. Ties pay \$5 each. As in the past, based on funds, we reserve the right to pay winners less or pay out less places or even more places.

#### 6. HANDICAPS

All playing members must have a USGA Handicap. Only players with official GHIN Handicaps will be eligible for the prize pool, unless a reasonable and discretionary accomodation can be made by the League President.

League fees include registration with the course GHIN system. It is imperative that all league members enter all qualified scores, including play outside of league play and at other courses. Scores can be entered at the T&C computer, at the club you are playing if a member of GHIN or on the internet at [www.ghin.com](http://www.ghin.com). You must have 5 18-hole rounds completed to receive an index number. Any questions on your GHIN number or how to enter scores, ask the Pro shop for assistance. **We currently enter your Tuesday night scores!**

#### 7. RAINOUTS/LIGHTNING

If lightning is present, you are to immediately take the standard precautions prescribed for this condition. The course and/or President will determine rainouts. If rain or bad weather comes during a round, you will be notified if the round is being postponed or canceled, but normally once we tee off, we just lose that week.

#### 8. QUITTING THE LEAGUE

The league has NO obligation to refund any fees paid by a member who quits the league.

#### 9. DISPUTES/RULES COMMITTEE DECISIONS

All league disputes, violations, and penalties, are subject to review by the Rules Committee. The committee may consult any outside party including the parties involved, any witnesses, or the course Director of Golf. Decisions made by the Rules Committee are final.
